Success on the green! 2023 SASTA Golf Day

The 2023 SASTA Golf Day was held at Umfolozi Country Club on what has now become the traditional Friday morning social after Congress. The event was organised and supported by AP Solutions and Ross Engineering.

An attraction on the day was sponsored by the Bearing Man Group (BMG) for a golfer talented or lucky enough to make a hole-in-one on the course's signature Par 3, 4th Hole.

Twenty-three teams, comprising four members each, tackled the Umfolozi course, with Team 11's emerging as the eventual winners. A sumptuous lunch during the prize-giving at the club's restaurant concluded another successful industry-building event.

It was a time to foster supplier relationships and learn about new available equipment. The golf day included supplier interactions with several companies that could not attend Congress.
